

## NOVEMBER APC CONFERENCE

**(FFTA offers training credits if needed)**

Our highly anticipated Adoption Conference will be held **ONLINE** this year from **9am - 6pm EST on Sat., Nov. 21st and Sun., Nov. 22nd!**

Join us from the comfort of your home, and participate in one of our most coveted events of the year! Choose from our wide array of **24 workshops** for pre- and post-adoptive parents, and for professionals and advocates involved in the adoption and foster care fields. For a list of the workshops, [click here](#).

The Conference is for **MEMBERS ONLY**. [Register Here](#) - you may Join/Renew/Reinstate your membership at our \*Special Rate\* upon

registration. Your APC membership dues allow us to continue to provide you our excellent programming, and makes the statement that APC and its mission of providing support, information, and community to families formed by adoption are important to you. (\*Scroll down for Special Rate Information).

We look forward to learning, sharing, and promoting the joys of adoption with you at the Conference!

## MEMBERSHIP

We have undergone exciting changes at APC as of September 1, but our mission is still the same. That mission is to provide top-notch, accurate, relevant adoption and parenting information, and support, at all stages of the adoption journey.

In an effort to create a more personal experience, Members now have access to **ALL** of our Tri-State online and in-person (when safe) meetings, workshops, panel discussions, the November Conference, and our social events (currently held online).

Our social media, outside of Twitter, is now on our new single [APC Tri-State Facebook page](#), and we now have a new “members-only” Facebook group. As a paid member, you can now join this private group to connect with a larger number of APC members and families, and receive invitations to members-only events and discussions, including our November Conference.

We'd like to thank you for your patience during these challenging times we are in, and to prove that we're extending **an outstanding Thank You offer** on your Membership Renewal, Reinstatement or Opportunity to Join.

Instead of the annual membership renewal cost of \$40.00, and a new membership cost of \$60.00, **this season, after the 2020 discount of \$35.00, Membership Renewal is only \$5.00 (plus a processing fee) and Reinstatement or New Membership is \$25.00 (plus processing fees)**. Please [Join or Renew](#) your membership now so you can meet with us (virtually), and take advantage of all our valuable resources including discounts

for events like the Halloween Party and November's Tri-State Conference.

If you are unsure of your membership status [click here](#).

We hope these changes reflect our continuing commitment to our vision, and the importance of having you and your family in our community.

If you have any questions, email us at [info@adoptiveparents.org](mailto:info@adoptiveparents.org).

We look forward to “seeing” you around!
